

## TOURAINE CHENONCEAUX

- Classification : Touraine Chenonceaux
- Grape variety : 100% Sauvignon
- Geographical area : The vineyard is located in Saint Romain sur Cher, in the heart of the Loire castles.
- Land : from great vintage parcels, southern exposure, slope greater than 5%, stony soils with flint dominance.
- Wine-making : Pneumatic pressing, regular following of the temperatures thanks to thermo-regulated tanks, maturing on fine lees.
- Color : Clear with bright yellow glare.
- Nose : ripe and exotic fruits (mango and lychee)
- Mouth : Fresh, broad, fine balance.
- Bottle cellar : For optimal storage, our cellar is air conditioned.
- To be served with : aperitif, seafood, fish dishes
